Sailing Round-Up - Sunday 21 April

Our intended Easter regatta was marred by the threat of wind and rain squalls. A decision was made to cancel the races. Happily everyone stayed on and enjoyed a session led by Bruce Legg and Peter Deane on basic sailing racing rules, using sail luff and leech ribbons to improve performance and fine tuning the boat's rigging. This was followed by a practical capsizing and recovery drill. **Sue Peterson, Sho Fujimoto and Craig Berridge** were assisted by Peter Fox, Michael Murray to practise recovering a capsized Vagabond.

Congratulations must go to **Craig Berridge** who was presented a certificate for completing his basic sailing training course at the Tingira Boat Club.

Special thanks to Rob Corbett and Glenys Hayes who turned up on Sunday as per the roster to crew the safety boat. Also thanks to Ray Ward, Don Noble, Dudley Kavanagh and Neville Prosser who also attended to help officiate the sailing.

Our next sailing events will be Event 1 of the Calvert Sailing Series on Sunday 05 May and the next off-the-beach sailing day will be on Sunday 19 May.

Calvert Memorial Trophy Sailing Series - Event 1

The first event of the Calvert Memorial Sailing Series is scheduled for Sunday 05 May with a starting time of 10:00am (approximately).

This social sailing event is for monohull and multihull yachts but excludes off-the-beach sailboats.

The event will be sailed over the traditional triangular course set between Macleay and Peel Islands.

The start and finish line will be located between the committee boat (club pontoon) and an orange buoy adjacent to the Dalpura Anchorage which is located on the north western side of Macleay Island.

This will be the first event of the Calvert Memorial Trophy Sailing Series. The other events are scheduled to take place on :

Event 2 - Sunday 07 July (or alternatively 21 July);

Event 3 - Sunday 13 October (or alternatively 20 October)

(Please note:- The alternate dates are included in case any of the scheduled events are cancelled due to the weather being unsuitable e.g. strong wind warning.)

Each event will have separate awards but we intend having an overall series winner using the cumulative results of the three events.

The Calvert Memorial Trophy will be awarded to the yacht placed first on handicap for the overall series. The Club's low score system will be used to determine the series placings. All boats participating in the events will be allocated a performance handicap supplied by the Club handicapper, **Ivan Scott** who will use the data and times recorded over the past years.

In the case of there being three or more of a similar class (e.g. Jubilee Class) additional prizes will be awarded at the discretion of the sailing committee.

Awards for the events will be presented at the Calvert Memorial Dinner planned for **Saturday 26 October**. On this night it is planned to have a combined awards night for yachts, off-the-beach sailing and paddling divisions.

Sailing instructions, course maps and nomination forms for the event will be available from Friday of this week and will be emailed out to members on Friday morning.

Alternatively you can download the nomination form, course map and sailing instructions by visiting our website tingiraboatclub.com and clicking the Calvert Memorial Trophy Sailing Series link (available from Friday 25 April). Otherwise, email Secretary Peter Fox admin@tingiraboatclub.com and request the forms to be sent to you.

A Note from the Editor

I think I can be quite safe in making the claim that this newsletter is the first (and probably the only) Tingira Ahoy to be compiled on the beautiful Greek island of Corfu. Does this make it internationally acclaimed?

One of the beautiful buildings in central Corfu city. Spring has sprung, but I still needed a jacket
