### **Sailing News**

There has been planning meeting to sort out the coming year's boating calendar. All the boats here at the Tingira Boat Club will be used extensively and there will much to do to keep them in shape. There have been a lot of ideas about what work should be done and what materials are needed to maintain the boats. I know we are running this a bit late in the year, but all the bits and pieces are in the shed and your expertise is requested for a Boat Maintenance Day.

Boat Maintenance Day: 9am – 12pm: Sunday December 15
