## A Message from Margaret

**March 15 is the Boaties market**, which starts at 8 a.m. and goes to 2 p.m. Lunch at Sundays on the Deck will occur as usual, from 12 p.m., but we anticipate that the day will be busier than usual. We have rostered crew for the kitchen but would appreciate other volunteers making themselves available to help with general chores that may arise, from extra preparation that may come up during busy times, acting as 'runners' between the kitchen and BBQ and cleaning up plates back to the kitchen for washing. If you can spare some time to help with the various tasks on the day, this would be great! Please make yourself known to the kitchen staff on the day.

**April 5 is the Seafood and Jazz event**, which is open to the public. Attendees can purchase hot and cold seafood in addition to purchasing an entry ticket. Although we will not be doing the usual Sunday on the Deck BBQ, Kay Chapman needs several volunteers over the 4 hours of the event to assist with food service and general work involved in keeping people fed. I have not rostered any staff for that day but anybody who can spare 30-60 minutes, especially over the busiest period of lunchtime service (probably 12-2 p.m.) should contact Kay on 0409 0579 88. Kay is organising the food preparation so the duties of the volunteers for the day will involve serving food (from the kitchen and other service stations), making sure that the food stations are topped up with food and generally making sure that food service runs smoothly. This will be a very big day for the club and your time and effort will be much appreciated.

## Sailing & Paddling News

Firstly, I should have mentioned that Tingira Ahoy has recently had a new contributor from the notorious paddlers and outriggers. Peter Hayward has gladly sent in a yarn about our energetic paddlers a couple of times now and it's a great way for us join them on their journeys. A great paddle was had by all on Sunday. We decided to stick to the western side of Macleay Island and enjoy the calmer, protected conditions.

There were two canoes of Advanced and a team of Casuals.

A few were unavailable and I think the wind may have scared some away. Ted took the casuals up around to Pat's Park via the now expected Mangrove Tour. Believe they got onto some nice runners also. The two Advanced teams decided to do a few "Friendly" races with Brad and Sarah on the ski as officials. Fantastic work everyone - not much between each team and amazing how you find that bit extra with another crew next to you. Great training also.

Our island race is approaching in May so the more hard training we do the better.

Don't forget we have limited spots on Wednesdays available for 1 and 2 man paddles also.

Contact Karen or Peter for times.

The Off the Beach sailing was again a stiff competition of jubilee boats and the volunteers that support this club were put on the line to define the result. You can see some DNS and DNF which can add up to a higher score but this is a low score wins system. So this can make attendance an advantage and it must be acknowledged how much these boat owners do to present their boats in this competition series.
