Bay Island Classic Car and Boat Show

Last Sunday, the Bay Island Auto Club conducted a Car and Boat show at the Tingira Boat Club. Although there were concerns prior to the event regarding limitations of numbers at gatherings due to Covid restrictions, the Queensland Government, two days before the event lifted the number attending outside events and allowed food and drink to be consumed while standing. This made everything a lot easier.

The whole show was a great success with most of the cars arriving early to take up position outside on the road. I was quite surprised what a great variety of classic cars that were on our islands.

Out on the waterfront there was a great selection of boats of all shapes and sizes. It is a credit to all the owners of the cars and boats to see just how much work they put in to be able to present them to such perfection.

With the easing of restrictions, the Car Club was able to serve coffee and cakes in the morning and come lunchtime, our Sunday on the Deck crew were able to serve food outside in the barbeque area.

Thanks to Moss Lane for being our Club's representative organising the event, Ian for organising the Boats, Margaret Britz and her team of willing helpers, Helen and Trevor Ehrlich, Kay Chapman, Gwen Lane providing the food, with Fay and Terry on the Bar.

And a special thanks to the Bay Island Auto Club for bringing the event to our Club.

TINGIRA AHOY!

Grounds and Gardens Coordinator

In last week's edition of Tingira Ahoy! it was reported that after more than five years, Stewart and Heather Sorby were stepping down as our chief garden and grounds maintenance volunteers.

The Management Committee is pleased to announce that **Peter Hayward** has volunteered to take on the role of co-ordinating the care and maintenance of our Club's grounds and gardens.

Peter is one of our enthusiastic paddlers and currently co-ordinates their activities.

This does not mean Peter is expected to do all of the mowing and gardening himself. He will be given a list of the Club members who have indicated on their membership application or renewal form a willingness and interest to be on a garden maintenance roster. Peter will contact those people and organise their assistance when required.

We thank Peter for stepping up and taking on this role and I am sure that our members will support him to keep the Tingira grounds and gardens looking shipshape.

Stage 3 – Easing of Restrictions Plan

As of noon, July 3, 2020, the Queensland Government has eased the Corona Virus restrictions to Stage 3.

<https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19/current-status/public-health-directions/business-activity/stage3>

With all businesses allowed to open, this will allow Queensland to open up, so people can start to get back to normal; a new normal.

The most important thing that we must continue to observe is the **Social Distancing rules**: 1.5 meters between people and allowing, in most cases, 4 square meters per person.

So far Queensland has escaped a second wave of the Corona Virus because we have observed the restrictions laid down by our Government. If we continue to obey the rules, we will progress forward, and we will **not** finish up like Victoria.

Our Club

We shall continue to operate in line with the Industry COVID Safe Plan for Queensland Hotels and Clubs.

https://www.covid19.qld.gov.au/_data/assets/pdf_file/0033/129966/industry-covid-safe-plan-hotels-clubs.pdf?nocache-v1

However, we still need to have our own Plan to cover our specific conditions and this is updated in the following information.

From Friday July 10 the following will apply:

- The main area and deck will be classed as one area rather than two as was required in Stage 2.
- Limitations of numbers: for areas less than 200 square meters, 2 square meters per person is allowed with a limit of 50 people. We can therefore seat up to 50 people on a Friday night.
- Members and their guests only.
- Bookings! Names on the white board. (Members and guests of members) No phone bookings except those not on Macleay Island.
- **Seating as arranged. No extra chairs or tables to be added unless approved by the Commodore.**

TINGIRA AHoy!

- Food will be served straight to tables.
- **Dirty plates to be returned to the designated tables for collection by kitchen staff.**
- Drinks may be purchased from the bar.
- Follow the marks on the floor when in line to observe Social Distancing.
- Bar opening time 6.00 p.m. (Friday)
- Kitchen staff only in the kitchen.
- Follow marks on the floor while in line, when paying for your meal.
- Use credit/debit cards etc, instead of cash where possible.
- Names of those attending will have their names listed. As is customary, members in attendance, will have their addresses and mobile numbers readily available from Club register if required. Guests of members however will need to have listed their names, addresses/email address and telephone number.
- If you are ill, stay home, do not come to the Club.
- Download the COVID Safe App.
- **Observe instructions from the Commodore and Management Committee members.**

Courtesy Bus Ring Moss 0428 717 535

Observe Social Distancing Rules as instructed by the Driver.

Courtesy transport must be frequently cleaned and disinfected between uses.

Social distancing must be maintained as far as possible during use. A contact information list must be kept for members travelling on the bus for contact tracing purposes, including name, address, and telephone number for a period of at least 56 days.

Boating

Stage 3 has also opened sporting activities. From our perspective, we can open more of the boating side of our Club.

By aligning the Club with the Aquatic Sports Sector COVID Safe Plan we can extend our operations to Dragon Boats, x6 Outriggers (OC6) and Sailing Boats.

https://www.covid19.qld.gov.au/_data/assets/pdf_file/0008/130004/Aquatic-Sport-Sector-Industry-COVID-Safe-Plan.pdf?nocache-v1

TINGIRA AHoy!

Dragon Boats: Back to 20 Paddlers.

OC6: Six Paddlers.

Sailing Craft: Vagabonds. Two people per craft placed to observe Social Distancing requirements.

- All personnel visiting the Club for any reason, regardless of if they are using the Clubs equipment or as a spectator must provide their name, address and mobile number which will kept at the Club for 56 days in case of a COVID-19 outbreak.
- A list of all paddlers in each boat to be kept for 56 days.
- Also, their destination and stopping points must be recorded.
- All shared equipment must be sanitised after each use.
- If you are ill, do not come to the Club.
- **Observe Social Distancing at all times, 1.5meters.**
- Download the COVID Safe App
- Provide sanitising stations
- **Observe instructions from the Boating sub-committee and Management Committee members.**

This plan may change from time to time as requirements are altered.

Stage 5 Easing of Restrictions

The Queensland Government has now moved to Stage 5 Easing of Restrictions.

The main area where this will affect us will be that we can now stand while we eat and drink at the club. Also, at outside events we can now accommodate 100 people.

Our numbers inside will not change and will remain at 50.
