## **An Indian Favourite**

**Biryani** is a celebration of all that is great about Indian food - the heady aromas, the vibrant colours, the fluffy rice and those addictive curry flavours and this Friday night Ian

Waller-Wilkinson and Priscilla will present a choice of two – one will be vegetarian and one chicken. Members who are planning on attending are asked to place either a (c) or a (v) next to their names to give the cooks a fair idea of how much of each to prepare. Biryani is a famous Indian dish and I absolutely love it, can't wait to taste it.

Ian and Priscilla have indicated that the dish will be mild but extra chilli will be available for those who like a bit more heat.

Meals will be limited to 60, members and guests, so please place your name on the board before 5pm Thursday.

**Set-up:** Connie & Jim Selby

**Clean-up:** Bob & Joan Stampton

**Driving the Bus:** TBA

**Working the bar:** Don Noble & Linda Woodland

### **How to book the club courtesy bus for Friday night**

## Sailing Log - Learn to Sail - Sunday 21 March

The tide was unsuitable for sailing on Sunday and so it was a case of staying ashore and catching up with some sailing theory. This week we explored the topic 'how does a sailing boat work'.

Using diagrams, boat models and a fan we explored how the force of the wind on the sails and the water on the underparts of the boat (particularly the centreboard) combine to propel the boat through the water. Using the boat models and fan we also re-examined the points of sailing both upwind and downwind.

Then it was outside to have a practice rigging the boats - and we did this slowly with our beginners taking the lead and asking questions as they went.

Bells Mason suggested we develop a step-by-step checklist for rigging and unrigging the boats to assist in the learning process. A great idea and one will be developed during the week and road tested (or should we say sail tested) at next week's sailing lesson.

Next week there will be a 2.7m tide at 9:30am and this will be very suitable for some time out on the water getting some more practical sailing experience.

**Meeting time will be 8:00am** and weather permitting most of the morning will be put to rigging up the boats and sailing.

Experienced sailors are encouraged to attend to give our beginners some tuition and practice out on the water.

We will also aim at having both *Tango* and *Sandpiper* out on the water to keep an eye on things.

Peter Hayward has dubbed the event 'The Battle of the Boats'.

## Members and Their Boats - Bruce Legg - 10ft Skiffs.

10 Foot Skiffs: Bruce Legg sailing *Merle* and Alison Early sailing *Uncle Fred* (the boat to windward) on the Brisbane River

Bruce Legg is one of our Club's more enthusiastic and experienced sailors. He is regularly on hand each week to assist with the Club's 'Learn to Sail' program or compete in our Vagabond off-the-beach sailing races.

He also owns and races a Jubilee One-Design Class Yacht called *Isabel*. Bruce has sailed *Isabel* in several Calvert Memorial Sailing Events and in September last year won the inaugural Queensland Jubilee Championships hosted by the Tingira Club.

**But that is not all** - Recently, Bruce has taken up sailing each fortnight with the Historical 10 Foot Skiffs based at the Brisbane Sailing Squadron, Bulimba on the Brisbane River. Coincidentally, three other Tingira sailors, Alison Early, Mike King and John King are also sailing in the 10 footers.

### **Some quick facts:**

- 10 Foot skiffs are 10 foot long and carry as much sail area as you are prepared to.

# TINGIRA AHoy!

- They have wooden hulls with gaff/gunter sails and rigs.
- Sailed by a minimum crew of three.
- The class aims to preserve the history and the camaraderie that exists around these skiffs with hull, sails and rigging based on the 1940s & 1950s.

The fleet is currently preparing for the 2021 Historical 10ft Skiff Australian Championships to be held 1 - 3 May.

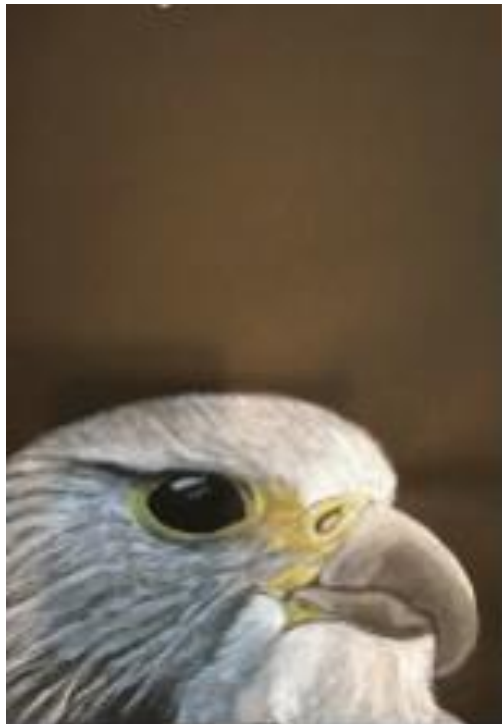

A trip is being planned by other Tingira sailors to pay a visit to Bulimba and view the sail racing on either the Saturday or Sunday of the Championships.
