Update: 2022 -2023 Annual and Quarterly General Meetings

The Annual General Meeting of the Tingira Boat Club Inc. will be held at the Club premises at 91 Coast Road, Macleay Island this **Saturday 27 August** commencing at 10:30 am. A Quarterly General Meeting (QGM) will follow immediately after the Annual General Meeting.

The following nominations for Management Committee positions have been received within the required timeline and are on display in the Clubhouse:

Commodore – Moss Lane

Vice-Commodore – Maree Lallensack

Treasurer – Peter Harris

Facilities Co-Ordinator – John Hynes

There have been no Notices of Motion received within the required timeline and as there is only one nomination for each of the above positions, voting will not be necessary and postal votes will not be required or issued.

No nominations have been received for the three remaining Management Committee positions of **Secretary**, **Providore** and **Sailing Master**. Nominations for these positions may be taken from the floor at the Annual General Meeting.

Members need to give some serious thought to who may fill these positions. We need a strong and vibrant committee to ensure we have a progressive club that is relevant to its members.

Any members interested in finding out more about the duties and role of **Secretary**, **Providore** and **Sailing Master** should contact Secretary Peter Fox 0417 841 009.

Following the Annual and Quarterly General meeting members are invited to stay on for a complimentary 'democracy sausage' on the deck. The bar will be open for refreshments from 12:00pm.

RSA Training This Wednesday

Nine club members have enrolled in the Responsible Service of Alcohol face to face course this Wednesday 24 August commencing at 10:00am. The day-long course will be conducted at the Tingira Clubhouse. One of conditions of our Liquor Licence (Community Other) is that a Club member with RSA qualifications be present during the licenced hours. It is certainly pleasing to see this number of members undertaking the training which will bolster the number of volunteers with the RSA qualification.

Signals and Greetings from David Dunk

To the Commodore, Executive Committee, and importantly to the wonderful members of the finest Club on the Bay Islands.

My sincere thank-you for your kind wishes and support during my recent brush with another, but unwanted boatman, across the river Styx.

To clarify matters, I fell unconscious for 4 days, but with the fantastic efforts of our paramedics and the I.C.U. at Q.E.11. Hospital, I have some time left albeit in much reduced circumstances.

On this subject, despite some morons on the islands, may I ask all to do everything they can in backing the incredible service we receive from our Ambulance and Paramedic Service, assisted I might add, on call-outs by Tingirian members. They work extreme hours under difficult circumstances including, at times, physical abuse just doing their job. I experienced such an instance waiting for the ambulance home.

Unfortunately, due to her illness, Jan has been unable to go out in the evenings, so we very much miss what was an important part of our lives. In the last 30-odd years, we experienced some of the greatest friendships of our lives. Thank you everyone, and our thoughts are also with members suffering illness at the present time.

David E.P. Dunk Esq. O.B.E. Retired.
