### Notes:

- The planned races for Saturday 05 October were abandoned before racing commenced due to a strong wind warning being posted for Moreton Bay (the regatta site) by the Bureau of Meteorology.
- Championship Point Scores were based on the accumulative scratch placings for each race using the low point system. (e.g. 1st place = 1 point)
- Boats that did not start (**DNS**) or did not finish (**DNF**) or were Disqualified were scored one more point than the total entrants for the series. (as per the Sailing Instructions)
- With five or more races having being completed, boats were able to exclude their worst single race score from their Championship Total Points. **The excluded points for each boat are shown as shaded.**
